

# Czech Organic Salami

The winner of the price „Czech organic product of the year 2004“

- long-life, fermented salami, with white mould on the surface
- content: organic pork and beef, organic spices, sea salt

No artificial additives! Gluten-free!

**Try this unique taste and quality!**

The organic meat and recepture comes from our organic farm, located in the suburbs of a town called Jihlava – the area of czech-moravian Highlands... Now, after 6 years successfull start and tradition in our country and Slovakia, it is a pleasure for us to offer this unique salami also to you.

*Price: 480,- CZK/kg (about 17-18 €/kg).*

*Cost of transportation by agreement.*

*One salami is about 260-270g. Shelf-life 4 months from the date of packing.*

**Our farm can offer other organic products as well:** ham (unique traditonal product, without E250 as well, no artificial additives..), pork, beef, potatoes, frozen and cooled potato products –fries, peeled potatoes, frozen slices, dumplings...

*Our products are registered by Czech Ministry of Agriculture, controlled and certified by czech controll organisation „KEZ o.p.s.“ and also by german Naturland.*
